

Invitation to the APAC Symposium

Series 1

Dear Doctors & Healthcare Professionals,

We are pleased to invite you to participate in the **8th APAC Psychiatry Symposium-Series 1**. This symposium represents a collaborative effort and provides a platform for healthcare professionals across the Asia-Pacific region including **Hong Kong/Macau, Indonesia, Korea, Malaysia, Philippines, Singapore, Taiwan, Thailand, and Vietnam**, to engage in meaningful discussions on pivotal developments in the management of mental and mood disorder.

The APAC Psychiatry Symposium-Series 1 will be held virtually on **Saturday, 14th March 2026, from 15:00pm to 16:30pm (UTC+8)**. The theme is **“Precision in Practice: Right Treatment, Right Patient, Right Time”**. We are honor to present Prof. Andrea Matthew Fagiolini, Italy, as the keynote speaker and faculty member for this virtual symposium.

The symposium ensures seamless and accessible participation for experts and attendees across the Asia-Pacific region. Your participation would be a great honor to us and we are looking forward to welcoming your active engagements in the expert dialogue, advancing mental healthcare across the region.
